

2010 Hilltown Business Directory Reservation ~ Print & On-Line

The Hilltown Business Directory, produced since 1984 by Hilltown CDC, helps residents, businesses and visitors find what they need *locally*. By doing business in the Hilltowns whenever possible, we keep our money circulating locally, we support a sound economic base for our towns, and we create local jobs for Hilltown residents.

In addition to the printed directory, the Hilltown Business Directory is available on-line all the time, at www.hilltowncdc.org. Funding for the Hilltown Business Directory comes entirely from paid listings and advertisements. The Directory is mailed in December to 13,000 households in 20 towns.

A Basic Business listing is \$40 and includes your contact information plus a 25-word description. Listings appear in your chosen Business Category and are indexed by Town as well, both in the printed 2010 Hilltown Business Directory, and On-Line at www.hilltowncdc.org. The 2010 book will be printed and distributed in December 2009 and the On-Line directory will be active for the full year 2010.

Complete your contact information and business description. Choose your business category(s) and indicate if you also want a display advertisement. Determine your payment amount. Mail or deliver your completed reservation, payment, and electronic or camera-ready artwork to the Hilltown CDC by **August 28, 2009**. No additions or changes may be made after September 25, 2009.

Note: If you wish to list more than one business, please complete a separate reservation form for each and provide full payment. You may photocopy this form or print one from our website at www.hilltowncdc.org

Frequently Asked Questions (FAQs)

What towns qualify as "Hilltowns?"

To list your business in the directory, a location or mailing address must be provided in one of the following towns: Ashfield, Becket, Blandford, Chester, Chesterfield, West Chesterfield, Cummington, Goshen, Haydenville, Hinsdale, Huntington, Middlefield, Montgomery, Otis, Peru, Plainfield, Russell, Washington, Westhampton, Williamsburg, Windsor, or Worthington.

I live in the Hilltowns, but my business is located elsewhere. May I still do a Basic listing?

If you conduct business from your home, you may list your home address as your Hilltown location and your business address outside of the hilltowns as your mailing address.

I serve many Hilltown customers, but my business is out of the area. May I still advertise?

Businesses located outside the Hilltowns may purchase a Display Ad to reach Hilltown customers.

I have two businesses, may I list them both?

Please complete a separate Reservation Form and provide full payment for each business. You may photocopy the reservation form or print one from our website at www.hilltowncdc.org.

My description is too long, may I buy more words?

25 business description words are included in a Basic business listing. You may choose up to 5 additional words (up to 30 words total) at \$1.00 per additional word.

My business belongs in more than one category ... or my business category isn't represented?

If your business belongs in more than one category, it may be listed in up to two additional business categories (total of three) for an additional fee. If your business doesn't fit an existing category, contact HCDC and we'll try to adapt an existing category or add a new one.

I want a display ad -- do I have to buy a listing, too?

Listings and Display Ads are priced separately. You may reserve a Display Ad, or a listing, or both. Your total payment will be based on what you choose to include.

How can I provide you with my ad?

Send your display ad in the correct size by email, or mail on a Mac compatible CD. Image should be at least 300 dpi (print quality) in a tif, eps, or pdf file. Do not send jpeg files as they are compressed and not optimal for printing. Any camera-ready ad (sized to fit ad space) may be scanned at a cost to you of \$15.

May I send you a business card instead of an ad?

A 1/3 page ad can be created from a business card (black and white) for the \$15 scanning fee.

Can you design an ad for me?

If you require ad design services, HCDC can refer you to a graphic designer.

May I have my ad run in a particular category?

We cannot guarantee page placement or position (except Sponsorship ads); however, every effort is made to locate an ad in or near its corresponding category. If you are listed in more than one category, please list your primary category first for the display ad.

How may I pay for my ad?

By check (payable to Hilltown CDC), money order or credit card. Payment is preferred by check or money order to avoid credit card fees. Payment is required in full with your reservation.

To pay by credit card, provide your MasterCard or Visa information by mail, fax it to us at (413) 296-4020 or call (413) 296-4536 with your information. Please include your credit card number, expiration date, name as it appears on the card, billing address and 3-digit code from the reverse side.
